THE WEED.

Cold Weather Checks Tobacco
Business in All Branches.

Loose Dealers Discontinue Opera-
tions For Few Days and Every-
thing at a Stand-Still.

The very cold weather for the
past week has had the effect of
checking the handling of tobacco
and receipts of the loose weed have
therefore been very small. In fact
the tobacco business in all branches
has been almost at a stand-still
for several days.

Considerable loose tobacco has al-
ready been received, however, and
a good pile of Christmas cash has
been turned loose among the farm-
ers.

It is not known what per cent of
the crop of 1901 has been sold, but
it is safe to say that fully one half
has already been disposed of.

There were no public sales on the
breaks this week, though a few
hogsheads changed hands private-
ly.

Prices are considered very good
for the sorts sold.

Buyers were forced to come in
from the country when the weather
became cold and no more of the
weed will be bought by them until
the tobacco again comes in order
for handling.

WATKINS-EDWARDS.

Gracey Business Man and Cadiz
Lady Marry.

Mr. Gipp Watkins, of Gracey,
and Miss Lizzie Edwards, of Cadiz,
were married Wednesday morning
at 10:30 o'clock.

The wedding took place at the
home of the bride and was a very
quiet affair, only a few of the most
intimate friends and relatives of the
couple being present.

Mr. and Mrs. Watkins at once
came to Gracey, where they took
the train for Clarksville and Wed-
nesday night they left for Memphis
to visit a sister of the bride.

They will be absent a week and
on their return will go to house-
keeping in the Strayer residence.
The ceremony was performed by
Rev. McAfee, of the Methodist church.

The bride is a daughter of Mr.
Ed Edwards. She is not only
lovely in person but is sweet in na-
ture and magnetic in manner. She
is the center of a host of friends
whose regrets are keen that her fu-
ture residence will not be among
them. Mr. Watkins is a prominent
young business man of Gracey.
He is popular in society and in
business, possessing all the genial
qualities requisite for success.

UNION MINER

Given Two Years For Firing From
Ambush.

Madisonville, Ky., Dec. 18.—The
jury in the Jean Couch case at
Dixon, Webster county, returned at
verdict this morning of guilty and
fixed his punishment at two years
in the penitentiary. Couch is a
union negro. He was indicted by
the Webster county grand jury for
shooting from ambush into a wagon
load of non-union negroes in charge
of Providence coal mine officials en
route to Providence. One of the
non-union negroes was wounded in
the leg. There were several in the
attacking party, but Couch was the
only one captured. He has been in
the Dixon jail since awaiting trial.

The verdict was a surprise.
Couch was charged with shooting
with intent to kill, and he was
caught in the act. The court at
Dixon is disposing of the law-
breakers in short order. The grand
jury is still in session and doing a
land-office business.

Gen. W. F. Perry, a Confederate
veteran of note, and a prominent
citizen of Bowling Green, is dead.

PAPERS FOUND

On Dead Man Believed to Have
Furnished Evidence

Upon Which Three Officers of
United Mine Workers Were
Indicted.

Madisonville, Ky., Dec. 19.—The
Webster county grand jury has re-
turned indictments against James
D. Wood, Christopher C. Barnaby
and W. B. Kissinger, officers of the
United Mine Workers, charging
them with being accessories before
the fact to willful murder. The in-
dictments are based on the fight at
Providence mines and are believed
to have been procured by reason of
papers found on the body of Givens,
the union miner killed. One of the
papers contained the names of
thirty or more men who were known
to be union miners. Opposite the
name of each man was the number
and description of weapon in their
possession. Other papers were
found on his person, but the author-
ities refused to make known what
these papers contained. All these
documents were submitted to the
grand jury, and it is now believed
that the indictments against the
three leaders were secured on evi-
dence found on Givens' body.

It is said that neither Baraby,
Wood nor Kissinger will be allowed
to give bail, but after their arrest
will be confined in jail until the
next term of Circuit Court, which is
some months off.

TWO PATIENTS DEAD.

One Body Shipped to Russellville,
Other to Wingo.

There were two deaths at the
Western Asylum yesterday. The
first was Mrs. Yates, of Wingo,
who was received at the institution
for treatment about three weeks
ago. Death was due to acute mel-
ancholia. She was about 40 years
old. The remains were shipped
over the I.C. yesterday at 11:30
a. m.

Mike Baily died after a brief ill-
ness. His home was in Russell-
ville, where his remains were sent
yesterday afternoon. He was a
member of the order of Locomotive
Engineers.

ICE HARVEST ON

And Many Houses Filled With
Four Inch Ice.

The zero weather for the past
week has caused the ice to form
several inches thick on the ponds,
providing good keeping ice for
those who have houses in which to
store it, and many farmers succeed-
ed in filling their houses with blocks
varying in thickness from two and
a half to four inches.

It is said that more ice has been
"harvested" up to the present time
than was ever "gathered" in this
section in any one December for
twenty years.

Good sport has also been afforded
skaters and a large number from
this city enjoyed the "ice glide."
Sleighbing has been excellent.

LOSES HIS JOB.

Oldest Employee of the Asylum
Discharged.

E. O. Sullivan, the oldest employe
of the Western Asylum, who had
been a faithful watchman for 32
years, has been discharged. He
has been filling the position of night
watch for many years. Mr. Sulli-
van was referred to by Dr. McCorm-
ick as one of the witnesses in the
reign of scandal last winter, but
gave no evidence of importance
when called upon. It is said that
he has now recovered his loss of
memory and will be an important
witness at the Legislative investi-
gation.

VEDDER-GOFF.

Illinois Business Man Marries
Lady in This City.

Mr. Guy N. Vedder, of Whitehall,
Ills., and Miss Florence M. Goff, of
this city, were married at the par-
sonage of the First Presbyterian
church Wednesday night at 9
o'clock.

The bride is the sister of Rev. F.
L. Goff, pastor of the First Presby-
terian church, and is a lady of high
accomplishments and possessed of
many excellent traits of character.
The groom is a most excellent gen-
tleman and a successful business
man of Whitehall, being at this
time extensively engaged in the
milling business. This comes as a
complete surprise to most of the
friends and acquaintances of the
contracting parties, but the en-
gagement is of a year or more dura-
tion. Dr. Pentecost and the bride's
brother officiated, only a few of the
intimate friends being present. The
happy pair left on the 9:40 train
for their home in Whitehall, carry-
ing with them the best wishes of
scores of friends.

GREAT DAMAGE DONE.

Barns and Other Outbuildings
Blown Down—Tobacco
Ruined.

During the heavy wind and rain
storm last Friday night two to-
bacco barns belonging to Mr. Sam
D. Chesnut, of Trenton, were blown
down. Both barns were filled with
fine tobacco and the contents of one
of the buildings was almost ruined.

A barn belonging to Mr. Strother
Banks, of the same neighborhood
was also blown down, but the to-
bacco was not very badly damaged.
Mr. Chesnut's loss is very
heavy.

Nearly all of the outbuildings be-
longing to Mr. Alex McElwain were
either blown down or damaged to a
considerable extent.

Mr. H. G. Boone's business house
in Trenton was unroofed and a
number of chimneys were wrecked.

NEARING NINETY

Was Mrs. Mary Cannon When the
End Came.

Mrs. Mary Cannon, one of the
oldest women of the county, died
Tuesday night at the home of her
daughter, Mrs. Woodis, near Anti-
och. She was in her 90th year and
for several years had been confined
to her room.

She had been a member of the
Cumberland Presbyterian Church
for about 60 years.

Deceased leaves several children
and a large number of grand child-
ren and great-grand children.
The interment took place Wednes-
day in the Antioch Church ceme-
tery.

Mr. Thomas Rogers, of Donora,
Pa., is here on a visit to his brother,
Mr. J. F. Rogers.

THROUGH CHRISTMAS WEEK

The Meeting Will Probably Con-
tinue—Interest Increasing
Daily.

The meetings which have been in
progress for the past two weeks
will probably continue through
Christmas week if Dr. Pentecost's
voice does not fail him. Yesterday
morning at the meeting, which was
a most interesting one and largely
attended, Dr. Pentecost stated that
he would be glad to preach to the
people if his voice remained so he
could without further injury.
There seems to be no desire among
our people to have the meeting stop
now, as there is greatly increasing
interest, and the sermons, if possi-
ble, get better and better. Mr.
Fogg, of Lexington, who has been
conducting the song services from
the start, left for his home Wednes-
day. At the request of the audience
at yesterday morning's ser-
vice, Rev. F. J. Mitchell, at the
unanimous request of those present,
consented to lead the singing at all
further meetings. Rev. Mitchell
has had much experience as a con-
ductor of songs, and there is no
doubt that he will do his best, as
he does in everything he under-
takes.

LATER—It has been thought best
during the bitter cold weather to
hold no meetings in the Tabernacle
until Sunday afternoon at 2:30, at
which time Dr. Pentecost will
preach, and again that night at
7 o'clock he will preach to men, his
subject being "A Mystery and Not a
Myth. The body of the Taberna-
cle will be reserved for men and a
large crowd will no doubt be pres-
ent to hear this sermon.
